ABOUT GLOPEN

Discover the Real China, Connecting the World

China Glopen Group was founded with the vision of discovering the real China and connecting it with the world.

Headquartered in Shanghai, with offices in Beijing, Shenzhen, and Singapore, we operate through Shanghai Glopen Travel Agency and Shanghai Glopen Business Consulting Ltd.

We provide premium travel experiences and consulting services to global clients. Each year, we serve thousands of visitors from entrepreneurship organizations, industry associations, multinational corporations, educational institutions, and other groups.

Business Consulting Services

WHAT WE DO ?

Focus on market entry service

Market Research

- Market review and analysis
- Competitor analysis
- Consumer behavior analysis

Strategy & Execution

- Market entry strategy
- Brand and product positioning (naming, slogan, etc.)
- Pricing strategy

Marketing campaign execution

- Business visits and trade shows
- Due Diligence
- Partner sourcing and evaluation (professional services, suppliers, MCNs, e-commerce operators, etc.)

WHERE WE EXCEL

We provide a comprehensive range of services tailored to your business needs :

Market Analysis

A thorough overview of the Chinese market, including industry dynamics, competition, regulatory frameworks, and growth opportunities.

Trade Shows

Representation at trade fairs, exhibitions, and industry events to expand networks, generate leads, and capture market insights.

Business Strategy

Data-driven strategies based on in-depth research and due diligence to support successful market entry.

Due Diligence

Comprehensive evaluation to support critical business and investment decisions.

Business Visits

Curated corporate visits, seminars, and networking events to build meaningful connections.

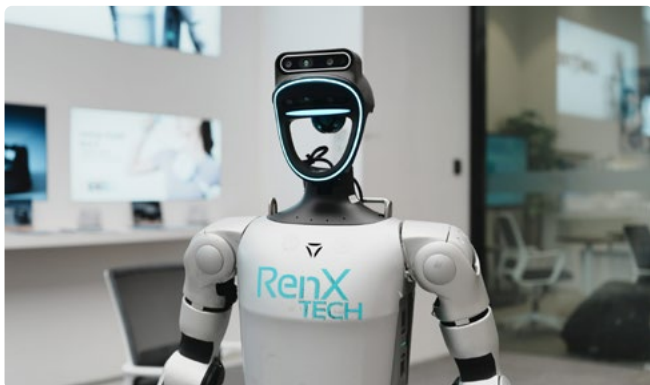

Partner Matching

Identification and evaluation of suppliers, distributors, and KOLs, along with recommendations for legal, financial, and professional services.

Our Exclusive Experience

Enjoy exclusive, hands-on experiences across culture, technology, and modern China — from ancient heritage to cutting-edge innovation — curated for private groups and led by experts.

Technology Experiences Robotics, EVs, & Drone Experience

Explore Shanghai's cutting-edge tech scene on a tour of Lujiazui. Visit the Shanghai Tower, China's tallest building, experience a ride in a driverless car, and interact with advanced humanoid robots showcasing the future of innovation.

VR & Exoskeleton Tour

Discover cutting-edge innovation through humanoid robots, intelligent EVs, VR, and exoskeleton technology.

Drone Delivery Experience

Experience the full drone delivery process, showcasing the speed, precision, and convenience of autonomous delivery technology.

Tech Discovery with Shanghai Tower Observatory Access

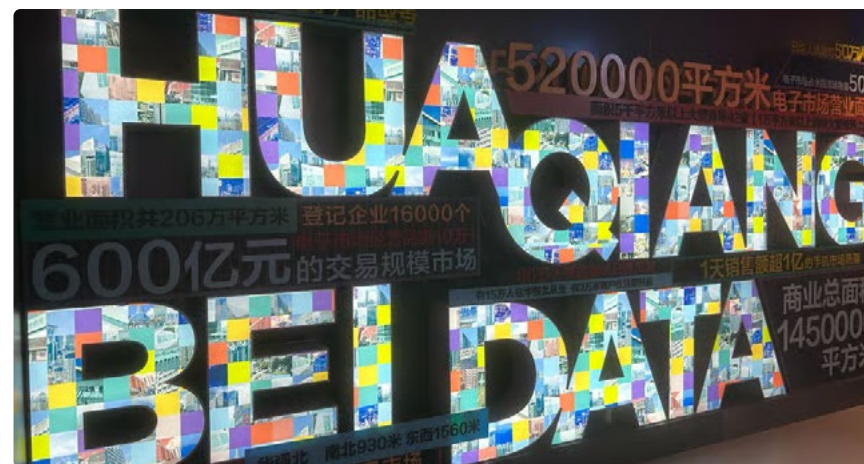

Visit the 118th Floor Observation Deck of Shanghai Tower, China's tallest building and a symbol of modern innovation.

Driverless Car & Robotics Tour

Experience Shanghai's tech-scene through driverless cars without safety driver.

Huaqiangbei & China Economic Reform

Explore Huaqiangbei, Shenzhen's iconic electronics hub, where the city's transformation from a fishing village to a global tech powerhouse began. Experience its vibrant markets, innovation culture, and fast-moving maker ecosystem.

Exclusive

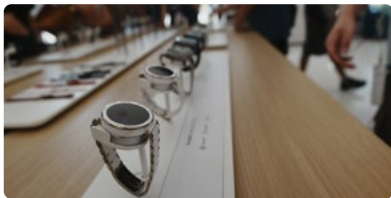

Cultural Experiences

Chinese Tea Ceremony

Experience authentic Chinese tea culture through hands-on brewing, a serene ambiance, and a blind tasting of 5–6 distinct Chinese teas.

Shanghai Retail & Lifestyle

Discover Shanghai's futuristic retail scene — from luxury EVs and tech flagships to designer toys and lifestyle showrooms.

Seasonal Fruit Picking Experience

Harvest fresh fruit and savor authentic countryside living near Shanghai.

Yangtze Delta's Ancient Water Town Retreat

A tranquil retreat in China's Yangtze Delta, known for its ancient canals, stone bridges, and timeless water-town charm.

Chinese Painting & Calligraphy Workshop

Learn Chinese art and calligraphy in a hands-on cultural session.

Paper Cutting Workshop

Learn the art of traditional Chinese paper cutting and create your own intricate designs inspired by classic cultural patterns and symbols.
